GETTING READY

Hairstyle, makeup, jewelry and clothing stand the test of time and photograph best if kept modest. A natural application of any makeup, classic and simple earrings or necklaces, and a hairstyle to allow a grad cap (if desired). Fingernails should be trimmed and/or freshly polished. White collared shirts or blouses are recommended. Neckties with a solid or simple pattern are best.

PORTRAIT SESSION

We want you to be relaxed, comfortable and have time to make any adjustments. Please arrive 10 minutes before your portrait session. Your photographer will collect your \$25 sitting fee at that time and your password to our online ordering site will be given to you. Save 20% from any ONLINE PACKAGE ordered within two weeks of photography.

AFTERWARDS

A few days following your portrait session, an order form with your photo proofs will be returned to the school. Also, your online images will be available at that time.

Now you have the fun of deciding which photos you would like in which packages!
