

The Limestone District School Board offers the AAEP, Challenge and Advanced Placement programs at Loyalist Collegiate and Vocational Institute. Join us on **Wednesday, January 17th, 2018 at 7:00 pm** to learn more about our enriched junior programming, and about our senior level AP program at 8:15pm.

Academic Arts Enriched Program (AAEP)

Limestone's L.C.V.I. offers this enriched program in grades 9 & 10 to prepare students for Arts based focus programs as well as University preparation and Advanced Placement (AP[®]) courses in grades 11 & 12. The Ontario Ministry Academic curriculum is infused with an arts focus, where applicable and appropriate, with a view to establishing an arts based learning community. Course material is also enriched via the program's field study component. In this way, an arts perspective is encouraged and valued as an interpretation of the rigorous academic curriculum content. **Any student entering the grade 9 academic pathway may apply.**

Academic Challenge Program

Limestone's L.C.V.I. offers this enriched program in grades 9 & 10 to prepare students for University preparation and Advanced Placement (AP[®]) courses in grades 11 & 12. The Ontario Ministry Academic curriculum is accelerated in pace, and enriched in depth and breadth of skills and content as well as via its field study component. The Challenge program fosters students' creativity, curiosity and commitment to their learning and pursuance of post-secondary programs. **Any student entering the grade 9 academic pathway may apply.**
